

Letter of Reference

For: Mel Ciavucco
By: Kaila Krayewski

To whom it may concern,

I am writing this letter of reference for Mel Ciavucco, who undertook a residency at [The Content Castle](#) for two months during the winter of 2018. Residents are expected to write a certain word count each week in order to stay in our writers' mansion. Mel demonstrated a strong desire and ability to learn and improve her skills quickly and easily, often going above and beyond the call of duty. She never missed a deadline, and she always responded positively to any constructive feedback, making any amendments in a timely and effective fashion. She was a pleasure to work with--so much so that I hired her as a freelancer upon her leaving The Content Castle, and we continue to work together to this day.

I would highly recommend Mel for any writing or marketing role, be it freelance or full time. I have full confidence that anyone who hires her will be happy with her work and work ethic.

Should you have any further questions about Mel, please do not hesitate to contact me. I live in Thailand, so contacting me by e-mail is best. You can reach me at Kaila@helloarchipelago.com.

Sincerely,

Kaila Krayewski
